Project Name	Skill/Job Recommender Application

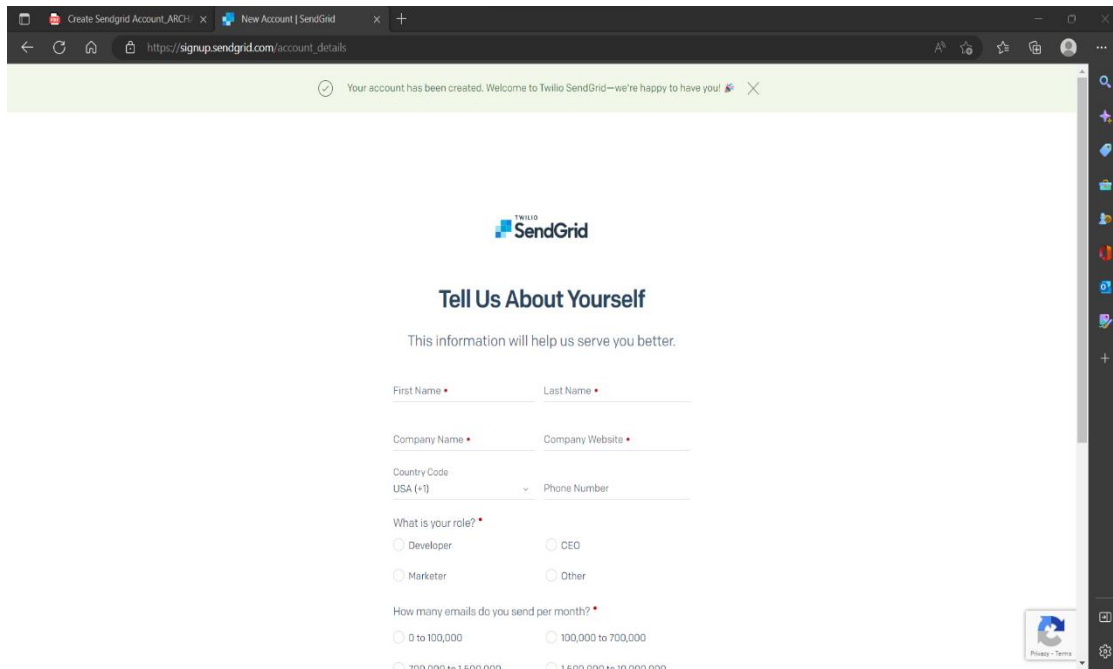

Step 1. Navigate to <https://sendgrid.com>

Step 2. Click on “Start for free” and register yourselves by entering required details and click on create account

Step 3. Further fill all required details in next page and click on get started as shown below

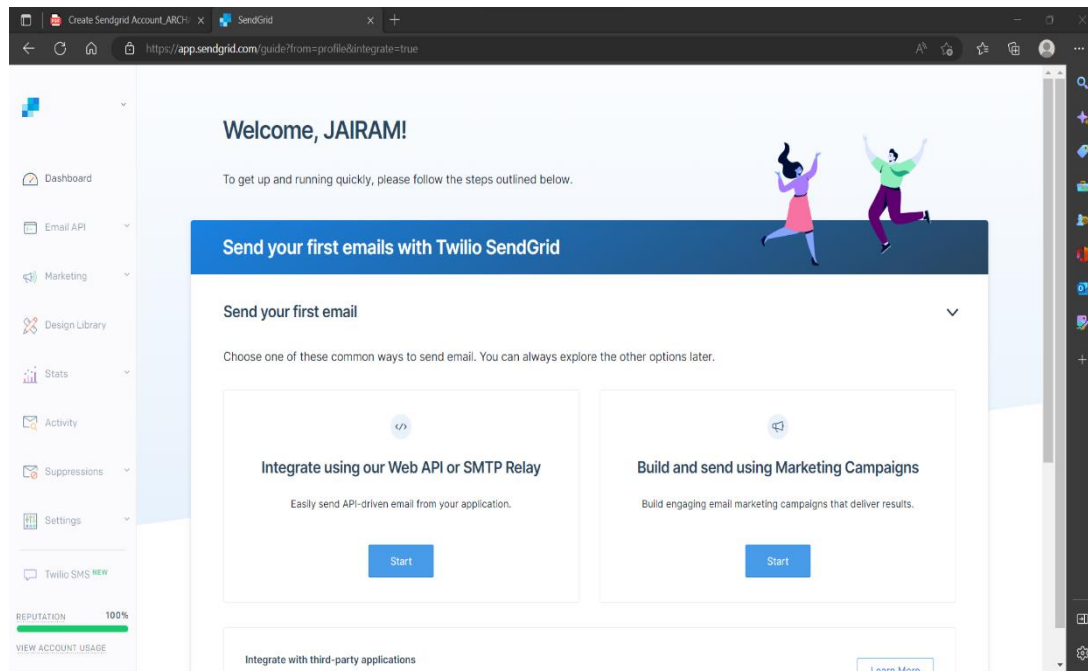

The screenshot shows a web browser window with two tabs: 'Create Sendgrid Account_ARCH' and 'New Account | SendGrid'. The address bar shows the URL 'https://signup.sendgrid.com/account_details'. A green notification bar at the top states: 'Your account has been created. Welcome to Twilio SendGrid—we're happy to have you!'. The main heading is 'SendGrid' with the Twilio logo. Below it is the section 'Tell Us About Yourself' with the subtext 'This information will help us serve you better.'.

The form contains the following fields and options:

- First Name (required) and Last Name (required) text input fields.
- Company Name (required) and Company Website (required) text input fields.
- Country Code dropdown menu (currently showing 'USA (+1)') and Phone Number text input field.
- 'What is your role?' section with radio button options: Developer, CEO, Marketer, and Other.
- 'How many emails do you send per month?' section with radio button options: 0 to 100,000, 100,000 to 700,000, 700,000 to 1,500,000, and 1,500,000 to 10,000,000.

The browser's taskbar on the right shows various application icons, including a 'Privacy - Settings' icon at the bottom.

Step 4. That's it you have created your SendGrid account and got access to dashboard

Output:

Send Grid account created successfully.
